

Save Our Trees

A partnership between Parkway Partners and the City of New Orleans' Department of Parks and Parkways

Please email this form to Burdette Fouchia: bfouchia@parkwaypartnersnola.org or print and mail with check.

Our oak trees need protection!

A fully licensed, reputable company performs all work under permits with the Department of Parks and Parkways.

BUCKMOTH CATERPILLARS

Buckmoth Caterpillars are coming soon, eating new green foliage and damaging the oaks. They have a nasty sting when touched by humans or pets. Orders for spraying are managed on a first come, first served basis but all orders must be received by March 31, 2018. Trees cannot be sprayed until the caterpillars have hatched. **Cost: \$80 per tree.**

Fertilize

Trees should be professionally fertilized. Fertilization helps to strengthen the tree.

Cost: \$65 per tree.

Treat for Termites

Licensed companies use treatment methods approved by the City's Department of Parks and Parkways.

Cost: \$130 per tree.

Help Parkway Partners Get The Word Out

Give flyers to your neighbors. Working together can eliminate caterpillars in your neighborhood. Please call 620-2224 if you'd like us to mail flyers or if you'd like us to talk at an upcoming neighborhood meeting regarding *Save Our Trees*.
